## BENEFITING THE ALZHEIMER'S ASSOCIATION

*Founder. Visionary. Advocate.* Kathy Biedenharn built City of Faith on the belief that lives can be rebuilt and futures restored. Through her leadership, countless justice-involved individuals found hope, guidance, and the opportunity for a fresh start. Today, Kathy faces a different battle—living with Alzheimer's—a journey that has touched her family deeply, just as it touches millions of others. In recognition of her remarkable life and enduring compassion, all proceeds will be donated to the Alzheimer's Association in her honor.
